The 4th Annual "Empty Bowl" planning has begun. Last year's event raised over \$21,000 for the Westmoreland County Food Bank and we hope to do even better this year. Soup bowls are already in the works at area high schools and local pottery shops.

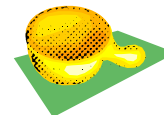

You are invited to be part of our event. You can use your talent by painting a bowl at one of the pottery shops, giving a monetary donation or sending something for the Chinese auction.

We also invite you to attend our event. When you come you will pick out a bowl from the display (over 1000 bowls), you will fill your bowl with a delicious soup (donated from area restaurants), and get a piece of bread and water – a meager meal, for \$15.00. When you finish you take your bowl home with you, remember all of those who have nothing but an
